## REMARKS

The following is intended as a full and complete response to the Office Action *Ex parte Quayle* dated May 9, 2011. Claims 1-15 were pending in the application.

### Allowable Subject Matter

The Examiner indicated that claims 1-15 are in condition for allowance. Applicant appreciates allowance of these claims. Additionally, Applicant has amended claims 1-15 to correct informalities. Applicant respectfully requests the amendments be entered.

### Drawings

The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they do not include the reference character 29 mentioned in the description. The drawings are also objected to as failing to comply with 37 CFR 1.84(p)(5) because they include the reference character 2 which is not mentioned in the description. In response, Applicant has added reference character 29 and changed reference character 2 to 22 in Figure 2. Thus, Applicant believes that the drawings comply with 37 CFR 1.84(p)(5) and respectfully requests the objection to the drawings be removed.

### Conclusion

In view of the foregoing, this application is now believed to be in condition for allowance. An early notice to that effect is respectfully requested

Respectfully submitted,
